

RAD Dress Code

To provide the most professional and enjoyable experience for your children, the faculty of CAPA will strictly enforce dress code attire beginning the third week of classes. Proper apparel and shoes allow students to perform exercises safely and permit teachers to observe their form and make any necessary corrections. A \$2 bun kit will be provided and charged to the account on file if a student attends ballet class more than twice without a proper bun. Hair must be worn off the neck and out of the face for all other classes.
